## August Meeting

**The August meeting has been cancelled.**

Guess what? The August meeting has been cancelled. You're probably shocked to hear that, but it's true. Someday, we will meet again, but it will be at least another month or two until that happens.

We did have a stay-at-home hunt last week. The results are in this issue.

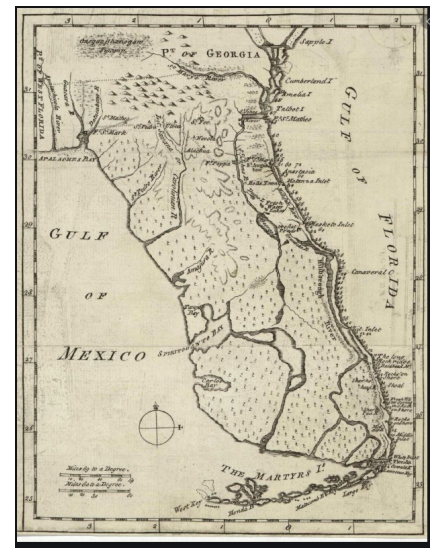

As always, please keep up with the latest advisories from the CDC and trusted news sources. You will be notified when the next meeting will happen.

*Happy Birthday*

### Meeting Minutes July 2020

No meeting. No minutes, no Pledge of Allegiance, no raffles, no speaker, no snacks, no 50/50, and no Best Finds.

**Club Hunt!** Since we're not allowed to go out in groups, club hunts are still out of the question. Solo hunting is, of course fine, as long as you practice social distancing and wear your mask when you can't. Many of us have to be very careful, either because we are in a high-risk group, or we have family members who are high-risk, and we don't want to expose them, so we avoid going out at all.

Laurie Haire put together a stay-at-home hunt that we could all participate in. I hope you enjoyed it. The list of things to find seemed pretty simple until you started looking for items that match the list.

Thanks to all who participated. The judges had a difficult time selecting the winning entry. And thank you Laurie Haire for putting this together for the club!

**Congratulations Pat Kachadrian** for being the big winner! Below are her winning entries.

**GCTC on Facebook** Our Facebook group is open to anyone who has an interest in treasure hunting or metal detecting. Thanks to Kevin Bean for his work in maintaining this for the club.
