Meeting Minutes May 2020

Since the May meeting was exactly the same as the April meeting, please refer to the minutes in the May Tinfoil Times.

Minutes were a complete fabrication by Jack Kazee.

General Update The Governor has approved the state to go to Phase 2 reopening. Well, except for Dade, Broward, and Palm Beach counties. He's leaving us in timeout for a little longer until we can get our numbers better. Since we're still in Phase I, not much has changed. But we can still go detecting pretty much anywhere. Beaches, some parks, sidewalk strips, use your imagination. Just make sure it's legal for you to be there, and **fill your holes.**

I hope the last few months have not driven you insane. I spent the last eleven weeks in my house, only going out to pick up groceries at Walmart. I am in dire need of a haircut and beard trim. In the past eleven weeks, I learned how to play guitar, speak French with a Russian accent, and discovered that it is almost impossible to flush a grapefruit down the toilet. Oh, and I spent a ton of money on Amazon. It's no wonder their stock is so expensive—especially now.

Stay safe, and look out for one another. We might see you in July.

GCTC on Facebook Our Facebook group is open to anyone who has an interest in treasure hunting or metal detecting. Thanks to Kevin Bean for his work in maintaining this for the club.

Gold Coast Treasure Club pins are available. They are 3 inches across. A nice addition to any t-shirt, cap, or detector bag.

They are \$10 each, and are available at the meetings. See Laurie Haire.
