May Meeting

**The May meeting has been
cancelled.**

Due to the COVID-19 virus, our May meeting has been cancelled. Please keep up with the latest advisories from the CDC and trusted news sources.

No decision has been made if we will be having a meeting in June. We will be in touch with members as we get closer to that date.

Look out for each other, and stay safe.

**Happy
Birthday**

May Birthdays

April Savich	5/5
Glenford Smith	5/10
John Lobota	5/14
Ed Marin	5/17
James Perkins III	5/19
Nancy Stephens	5/27

Meeting Minutes April 2020

The meeting would have begun around 7:00, with Frank Nash leading the Pledge of Allegiance. Birthdays would have been recognized, and the members would have been rewarded for making one more trip around the sun.

Vice President Randy Selnick would have shared some more tips with us. He has been working hard to put these together, and it will be nice to hear from him again.

Other announcements would have been made at this point in the meeting.

Treasurer Laurie Haire would have presented the treasurer's report.

Since there was no meeting, there was no need for a featured speaker, probably saving the club some money in speaking fees.

The winning 50/50 ticket was not drawn, since there was no one there to claim the prize – or buy tickets – or draw the winning ticket.

Minutes were a complete fabrication by Jack Kazee.

General Update The parks are open, and it looks like the Palm Beach County beaches will be open soon, with restrictions in place, of course. There is still a long way to go, but if everyone follows the direction of the CDC and our state and local authorities, our lives will get back to normal sooner rather than later.

As long as we practice social distancing, we can still detect. This might be a good time to try some areas you may not have considered before. There is a sidewalk that runs by a school near my house that I am planning to hunt sometime soon. When school is in, hundreds of kids walk through there every day. There may be some goodies for me there.

I have detected my back yard twice so far. My goal is to clean all the metal junk out so I can set up a test bed. The most common things I'm finding are old nails, screws, and roofing tin-tags from when they built the house 30+ years ago. There are also a bunch of triangular-shaped metal rings from a trampoline that used to live in a corner of the yard. These things ring up like a bottle cap. The numbers jump around a lot and the depth is never accurate. I will be glad when they're all gone. I have also found a matchbox car, some coins, and a quarter that has been broken in half.

So, stay safe, be creative in finding new places to hunt, and look out for one another.

Jack Kazee, Tinfoil Times Editor

GCTC on Facebook Our Facebook group is open to anyone who has an interest in treasure hunting or metal detecting. Thanks to Kevin Bean for his work in maintaining this for the club.

Gold Coast Treasure Club pins are available. They are 3 inches across. A nice addition to any t-shirt, cap, or detector bag.

They are \$10 each, and are available at the meetings. See Laurie Haire.
