Next meeting April 8, 7:00pm

We will be viewing a documentary about hunting the beaches after a hurricane. Hurricanes stir up a lot of treasure, and often deposit it on our beaches. There are rules about hunting for treasure in the water, but our beaches are mostly fair game. This should be a very interesting video.

Due to Palm Beach County COVID rules, masks must be worn while inside the building, and social distancing must be practiced during the meeting. No food will be served. You may bring in your own drink, if you like.

Upcoming Club Hunt

There will be a wild hunt April 10. Details will be shared at the meeting. The hunt is open only to members in good standing, whose membership dues have been paid. If you can't make the meeting, you can call Laurie Haire at 954-593-4800 for the details.
