Mystery Item Contest

The Mystery Item Contest works like this. We will have a mystery item at the next meeting. This item can be literally anything that can be found with a metal detector. You are encouraged to bring all of the stuff you have found since the last meeting. If one of the items you bring to the meeting matches the mystery item, you will win a prize!

There is another reason to bring in all of your finds. We will be taking pictures of all the stuff we collect when we're out hunting. These pictures will be put on the club web page to show the kinds of items we find, and how we help with removing trash, some of it potentially dangerous, from our beaches and parks.

The club has a For Sale table

available for anything metal detecting related. So, if you have some gear sitting around not being used, bring it to the next meeting and sell it. There is no charge for selling items on the For Sale table.

Don't Make a Spectacle of Yourself

If you have some eyeglasses that you don't wear any more, or if you find some while hunting, don't throw them away. Bring them to the next meeting, and give them to Linda Bennett. She will collect them and pass them on to an organization that can reuse them.
