2020 is finally behind us, and we are looking forward to bigger and better things for our club. It has been a tough year to try to keep a club active. But we're back!

Our next meeting will be January 14th, at 7:00 pm.

Due to Palm Beach County COVID rules, masks must be worn while inside the building, and social distancing must be practiced during the meeting. No food will be served. You may bring in your own drink, if you like.

Come Join Us

Meetings are held the second Thursday of each month at 7:00 pm.

South Fla Science Center
Garden Club Building
4800 Dreher Trail North
West Palm Beach, FL 33405

Visitors are always welcome.

January Featured Speaker

Our speaker for January's meeting is David Crooks. He is a club member and former vice president of a treasure hunting company. He will be speaking about a \$400 million treasure that was found.

That's all the details he would give us, so you will have to come to the meeting for more.

We have had other speakers on this subject, but Mr. Crooks will be sharing some treasure hunting experiences and insights that we have never heard.

We will see you at the meeting!

Happy Birthday!

The true treasure of our club is its membership. Thank you for being a part of the Gold Coast Treasure Club.

Jim Perkins	1/1
Delores Smith	1/3
Wayne Stephens	1/3
Don Clemens	1/13
Jack Petenbrink	1/15
Jansen Burke	1/16

Club Shirts Available

If you don't have a club shirt yet, they will be available for purchase at the meeting. We have two styles; a nice short-sleeved polo with or without a pocket, and a long-sleeved UV rated style that is great for beach hunts.

Please see Randy Selnick for available sizes and pricing.

CLUB DUES ARE DUE

Club dues are \$35.00 for the year—January through December—and are due by the end of January. Payment can be made by check or cash.

A \$5 late fee will be incurred if your dues are not paid by the February meeting.

Also, if you would like to join the Federation of Metal Detector and Archaeological Clubs (FMDAC), the cost is \$5 per year. John Burke will collect this with your club dues, and forward it to the FMDAC.

Be the first to mention the word 'spiral', when buying your 50/50 raffle tickets, and receive one free 50/50 ticket.

The Best Finds Competition is Back

Last year’s Best Finds Competition was abandoned due to the pandemic. We are starting the competition fresh with the January Meeting. Here’s how the Best Finds Competition works:

Each month, points are awarded for the Best Finds competition, and accumulate from January through November. First place in each category is awarded two points; second place in each category is awarded one

point. The member with the most points at the end of the hunting year is awarded the Treasure Hunter of the Year prize. This is not a high-pressure competition, and it is easy to participate. Just bring in any item you have found since our last meeting, and enter it in one of the six categories (one entry per category, please). Sometimes, there are only one or two entries in a category. That means whoever entered those items are winners by default.

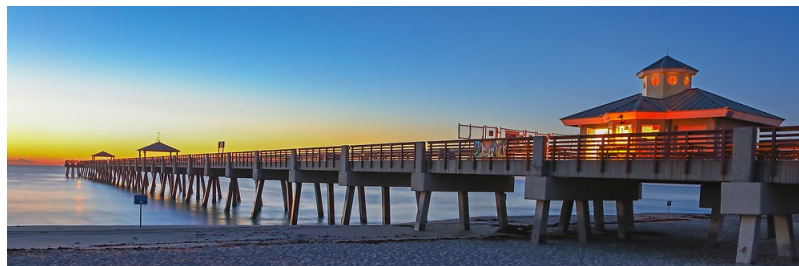

Arnie Steiner, 2018 Treasure Hunter of the Year

During the year, this chart will appear in every newsletter. You can track your progress toward the Treasure Hunter of the Year prize. Fair warning — you will have some stiff competition. We have some members who always seem to have items on the Best Finds tables, like April Sovich, and James Perkins III, pictured here. Good luck!

2021 Best Finds Points Standings

	First Place	Second Place	Total Points
	0	0	0
	0	0	0
