Our guest speaker will be Kevin Maranville. He has been detecting since 1979. He has hunted coins, relics in the Jacksonville area, and treasure on the beaches of Vero Beach. He has hunted all over Florida.

He has been in our area since 1988. He enjoys helping people learn our hobby, and share the knowledge he has accumulated over the years.

This is a meeting you won't want to miss.

## Donate Your Foreign Coins

Each year, the Texas Association of Metal Detecting Clubs, along with Garrett Metal Detectors, organizes a special hunt for handicapped kids, called the Texas Lions Camp. They collect foreign coins to use in the hunts. If you have any foreign coins that you would like to donate to this cause, please bring them to the meeting. Linda Bennett will collect the coins and send them to the camp organizers. If you would like to learn more about the hunt, their website is <https://www.tamdc.org/>

**The club has a For Sale table** available for anything metal detecting related. So, if you have some gear sitting around not being used, bring it to the next meeting and sell it. There is no charge for selling items on the For Sale table.

## Don't Make a Spectacle of Yourself

What do you do when you find prescription eyeglasses during your hunt? If you wear glasses, and you're really, really lucky, you could wear them. But chances are, they won't work for you. Bring them to the next meeting, and give them to Linda Bennet. She will collect them and pass them on to an organization that can reuse them.
