Coin and Relic Cleaning Discussion and Demo

Club VP Kevin Maranville will be demonstrating different ways to clean coins and various other items. Properly cleaning (or not cleaning at all) can preserve the item, and its value.

There will also be an open forum on the topic, so we can all share the techniques and methods we have learned.

Night Hunt February 12

A night beach hunt has been planned. The moon will be about 3/4 full, so it should be a nice night to be on the beach.

Location, times, parking, and other details will be given at the meeting.

Club Classifieds

The club has a For Sale table available for anything metal detecting related. So, if you have some gear sitting around not being used, bring it to the next meeting and sell it. It can be anything related to metal detecting / treasure hunting. There is no charge for selling items on the For Sale table.

FOR SALE

Very lightly used MP3 Pro target id detector, 10" coil, headphones and RTG Aluminum Scoop.

Super light, easy to use, gets decent depth on coins and gold. Come see the detector and we will work out a deal.

Asking under \$200 John Lobota 561-628-2629

If you have any items for sale, you can advertise them here in the newsletter. Just email Jack Kazee at kazee_jack@comcast.net with the details. It's free!

Be the first to say "sand scoop" when buying your 50/50 tickets for one free ticket.

CLUB DUES ARE DUE

Club dues are \$35.00 for the year—January through December—and are due by the end of January. Payment can be made by check or cash.

A \$5 late fee will be incurred if your dues are not paid by the February meeting.

Meeting Minutes January, 2022

Meeting started at 7:05 with Pledge of Allegiance. There were 22 in attendance, with two visitors (Tony Vella, Carol Marshall).

Birthday coins were distributed. Irving Smith celebrated his 95th birthday in January of 2022.

John Lobota donated 40 lbs of pennies to the club.

VP Kevin Maranville spoke on where to hunt, how to research places to go.

Meeting adjourned 8:55.

Get Your Club Shirts!

We have two styles of club shirts available - a nice short-sleeved polo with or without a pocket, and a long-sleeved UV rated style that is great for beach hunts in the sun.

Get yours at the next meeting, so you can be one of the cool kids!

Used Eyeglasses Wanted

If you have some eyeglasses that you don't wear any more, or if you find some while hunting, don't throw them away. Bring them to the next meeting, and give them to Linda Bennett. She will collect them and pass them on to an organization that can reuse them.
