Our next club meeting will be

June 9, 2022, at 7:00 PM

South Florida Science Center
Annex Building
Dreher Park
4800 Dreher Trail N
West Palm Beach, FL 33405

This month's topic will be water hunting. With the weather getting hotter, many of us are heading back to hunt the water. We will be discussing water hunting basics – equipment, techniques, managing your equipment in the water, pinpointing underwater, and anything else that's brought up.

If you're a veteran water hunter, bring your knowledge to share with the club. If you're new to water hunting, bring your questions. This will be an open-floor topic. Anyone with questions or answers is encouraged to participate.

The true treasure of
our club is her
membership.

Thank you for being a
part of the Gold Coast
Treasure Club.

Well it's official... I'm not a virgin anymore! I went on my first hunt with my Garrett ATX, after purchasing it over 5 years ago. I found nothing spectacular, but the items I did find were all 10" to over foot down, so I know that dog can hunt.

I am not discouraged and plan on going on many more adventures with it, thanks to the club, its members and the knowledge I have gained and will continue to gain.

Imagine getting a really nice signal, and spending the next ten minutes digging deeper and deeper into the sand. The signal is getting stronger as you dig. You finally reach the target, and it's a bunch of pull-tabs!

Things like this happen to us all the time. Don't get discouraged. The next target could be one of those bucket-list items you've been searching for. No matter how much you prepare, where you hunt, or how long your hunt lasts, you never know what you'll find.

Club Classifieds

If you have any items for sale, you can advertise them here in the newsletter. Just email Jack Kazee at kazee_jack@comcast.net with the details. It's free!

The club has a For Sale table available for anything metal detecting related. So, if you have some gear sitting around not being used, bring it to the next meeting and sell it. It can be anything related to metal detecting / treasure hunting. There is no charge for selling items on the For Sale table.

Do you have your club pin yet? These pins are 3 inches across. A nice addition to any t-shirt, cap, or detector bag.

They are \$5 each, and are available at the meetings. See John Burke.
