Irving Smith has been metal detecting for many years. He is one of our snow birds, so you will only see him at the meetings during the winter months, before he goes back home to Maine for the rest of the year.

Irving has found a lot of items over the years, but for some reason, he is really good at finding keys. He is pictured here with all of the keys he has found.

Irving will be bringing his keys to the next meeting, and we will hold a contest to see who can guess the number of keys in this impressive collection. There will be a prize for the one who comes closest to guessing the correct number.

Don't toss your pull tabs! Bring them to the meetings. We collect them and send them to the Ronald McDonald House Charities. This is a thank-you card we received recently. See Laurie for more details.

Get Your Club Shirts!

We have two styles of club shirts available - a nice short-sleeved polo with or without a pocket, and a long-sleeved UV rated style that is great for beach hunts in the sun.

Get yours at the next meeting, so you can be one of the cool kids!

Used Eyeglasses Wanted

If you have some eyeglasses that you don't wear any more, or if you find some while hunting, don't throw them away. Bring them to the next meeting, and give them to Linda Bennett. She will collect them and pass them on to an organization that can reuse them.

Donate Your Foreign Coins

Each year, the Texas Association of Metal Detecting Clubs, along with Garrett Metal Detectors, organizes a special hunt for handicapped kids, called the Texas Lions Camp. They collect foreign coins to use in the hunts. If you have any foreign coins that you would like to donate to this cause, please bring them to the meeting. Linda Bennett will collect the coins and send them to the camp organizers. If you would like to learn more about the hunt, their website is <https://www.tamdc.org/>
