Cox Science Center  
Annex Building  
Dreher Park

The topics for our meeting this month are land hunting and metal detecting tuning. Please bring in your metal detectors should you wish to learn more about optimizing your equipment or sharing your best tuning advice. We are finalizing details with our guest speaker.

A hunt is planned for this month. More information will be provided at the meeting.

On another note, some of our best hunters will not be able to attend the meeting. You have a chance to win so bring in your best finds! (Laugh out loud!)

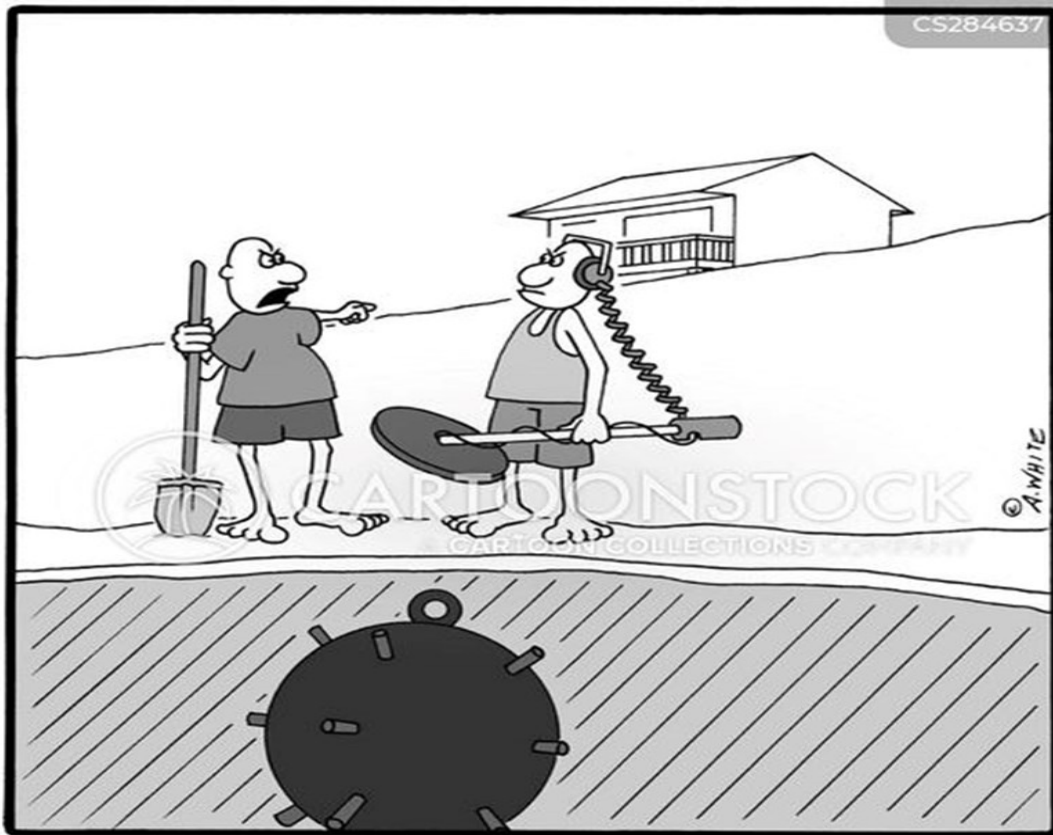

## 2024 DUES

Please bring in your dues to our next meeting. The amount is \$35. Dues are considered late (with a \$5 late fee) if paid later than the January meeting. Both checks and cash are accepted.

## Birthdays

Gary Pickens	2/3
Marilyn Smith	2/5
Cheryl Petenbrink	2/13
Alfredo Herrera	2/15
Barbara Sullivan	2/19

**"So what if you found it? Whatever it is, it belongs to *ME!* Now, get off my beach!"**

## **FOR SALE / REMINDERS**

If you have metal detecting related items to sell, you can bring them in to the meetings. A table will be made available for sale items.

For all those pull tabs and eyeglasses that you find, please bring them to the club meetings. The pull tabs are sent to Ronald McDonald House charities. They turn the pull tabs in as scrap metal and the money goes to the charity.

The eyeglasses go to organizations that provide glasses for those who are in need.

Mystery word is "galleon".
