Our next club meeting will be

June 12, 2025, at 7 P.M.

Cox Science Center

STEM Building

Dreher Park

4800 Dreher Trail North

West Palm Beach, FL 33405

Topic—Access to various sites (i.e., beaches, parks, lakes, urban areas) and strategies to overcome restrictions.

Information on upcoming hunt will be provided.

WARNING

Due to construction in the front of the STEM building, the route to the building entrance is hazardous after dark since there are no lights. Please bring flashlights or you can use the flashlight on your cell phone.

2025 DUES

The dues for 2025 are \$40. Dues can be paid by cash or check. A \$5 late fee will now be charged for dues not yet paid unless prior arrangements were made.

James Myers	6/7
Paul Hamlin	6/9
John DeCarion	6/24

TRIVIA

The oldest known metal detecting company was Fisher Research Labs, founded by Dr. Gerhard R. Fisher in 1931. Fisher Research Labs pioneered the development and commercialization of handheld metal detectors.

THINKING CAPS

Please put your thinking caps on and bring to the meeting your ideas for hunt locations.

Everyone has their favorite place to hunt or know of areas that might be of interest. Since the members of the club live in different areas, they might be privy to hunting “gold mines”.

FOR SALE / REMINDERS

If you have metal detecting related items to sell, you can bring them in to the meetings. A table will be made available for sale items.

If you would like to have your items posted in the Tinfoil Times, please email them to Laurie Haire no later than the end of the month for the

Key tips from Paul Hamlin on water hunting:

Wear nylon suit under dive suit.

Wear water dive shoes.

Wear a good pair of gloves.

Wear a hat that covers your face and use sunscreen.

Wear a mask to protect your eyes.

Have a stainless steel clip on your belt to clip digger so that both hands are free.

Keep track of your partner as they should do the same for you.

Start out wading to waist deep water. When more experienced, wade up to your neck with mask on.

If going deep, you need to use weights.

Beware of riptides!

When back on dry land, shower with FSLs naptha soap.
